

Designed for Truckers - Made easy for the Agent

FEDERAL MOTOR CARRIERS

Risk Retention Group, Inc.

As we enter our fourth year in business, we will continue the tradition of providing affordable insurance products and first class service to our agents and policyholders.

FEDERAL MOTOR CARRIERS AT WARP SPEED!

The WARP online rating program allows authorized producers to self rate a broad range of owner/operators and small fleets (up to 40 units) for IMMEDIATE quote results.

Attn. Truck Writers

Please contact us if you feel your truck program would fit our niche underwriting model. We are looking for additional partners in select states.
